Christmas 2016

Dear Friends,

As we once again head into Advent the Team at Freedom Publishing Books have put together a range of beautiful and inspiring books for your consideration, either for yourself or as gifts for your friends and family. All these books will be on special until 21 December. We can't guarantee orders placed after 20 December will arrive prior to Christmas but we will ensure they are on their way.

You will have noticed only 2 catalogues went out this year and this will continue. Our Website has regular specials and features and we encourage you to visit our website to keep up to date. If you wish to hear about specials as they happen please subscribe to our email newsletter it's easy, just type in your email address under Subscribe on our website and hit Sign Up!.

This year has seen some changes behind the scenes, our Book Shop is currently closed though this may change in the future. To ensure you receive your orders more efficiently we have outsourced our dispatch.

Our new dispatch enables us to provide you with a tracking number for your parcel. If we have your email address you will be sent the tracking number as soon as your parcel has been dispatched. Australia Post has increased its prices and after many years of charging a very low postage rate we are forced to increase our base postage charge. Domestic Postage will rise to \$9.95 for the first three items and then rise to \$11 for four items or more to the value of \$99.99. Orders over \$100 remain free of postage.

Season's Greetings!

The Freedom Publishing Books team

The Third Council of Baltimore

Since its 1885 debut, the Catechism commissioned by the Third Council of Bishops in Baltimore has instructed generations of Catholic faithful.

With an easy to read question and answer format, the Catechism combines solid Catholic doctrinal teaching with meaningful exposure to Scripture and practical application.

The revival of interest in the Baltimore Catechism reflects Catholics growing realization that a clear, concise presentation of the truths of the Faith is just what people — young and old — need to appreciate, practice and defend Church teaching.

Catechists and parents will find this Catechism an invaluable teaching tool as they prepare children and catechumens to receive the Sacraments and lead authentic Catholic lives. Students will find this an uncomplicated and friendly guide to authentic Catholicism.
